## Session Information

## Options for IBM Collaboration Solutions in the Cloud

**Session ID :** JMP301  
**Track :** Track 10: JumpStarts and Master Classes

---

**Presented by :** Marshall Lamb, Lisa Lucadamo Jarrett  
**Date :** 01/27/2013  
**Time :** 08:00 AM - 10:00 AM  
**Location :** DL S. Hemisphere IV-V  
**Level :** \*

**Support files :** [JMP301.pdf](#)  
[JMP301bw.pdf](#)

## Description :

There are many benefits you'll see using IBM's Collaboration solutions in the cloud. This session will walk you through how you can use the complete range of ICS software and pre-built solutions across the range of cloud deployment choices - Infrastructure as a Service (IaaS), Platform as a Service (PaaS), and Software as a Service (SaaS) and public and private cloud choices. We'll show demos to illustrate the speed and flexibility the cloud delivers and will share insights on what to consider and evaluate for your enterprise journey into cloud as well as emerging trends and factors to be aware of for hybrid cloud options.

## Speaker Information

[Howard Greenberg](#)**Conference Email:** 398529**Company:** TLCC**Title:****Blog link:** [www.tlccc.com](#)

## About Me:

Howard is a founding partner at TLCC, the leader in Notes and Domino training. He is a Certified Lotus Instructor and a Certified Notes and Domino Professional for both application development and administration. Howard was named an IBM Champion for both 2012 and 2013.

Howard is also a pilot (Certified Flight Instructor-Instrument) and scuba dives. He lives in Boca Raton, FL.

## Background:

Howard started in the IT industry with IBM as one of the early employees of the IBM PC Company. After leaving IBM in 1994, Howard started consulting and teaching on Notes and Domino 3.0 and has developed and taught courses on Notes/Domino including TLCC's XPages courses. Howard has spoken about XPages at Lotusphere 2012, the Belgium LUG, Developer Camp in Germany, and other LUG sessions, as well as numerous private XPages training sessions at clients. Previous to getting into computers Howard worked as a Certified Public Accountant.
